FOREWORD

In planning our theme this year, we, the annual staff, become acutely aware of the necessity of boys and girls preparing themselves to meet the many challenges which we face in a new decade. Life is a CHALLENGE and we believe the rewards are for those who meet the challenge successfully. We know that we will appreciate and enjoy the things the new decade holds for us if we have a part in meeting and solving the obstacles which lie ahead.

Using as our theme, "THE CHALLENGE IS OURS", let each of us resolve to pick up the strong threads of our best endeavors of the past, add new vigor needed to meet the present challenges, and we hope that with this volume of the Castletonian we may see a continuous pattern reflecting accomplishments of the annual staff.

Let us remember—the past is gone; the future is uncertain; the present is all we have; today is the very best day — "THE CHALLENGE IS OUR."

THE

THE YEAR 1960-61 MARKS THE COMPLETION OF THE CASTLEWOOD HIGH SCHOOL

The completion of your fine auditorium, a modern athletic field, and the addition of six classrooms and cafeteria at the elementary building, brings to you and your community the most adequate and modern school facilities to be found anywhere in the western part of Virginia. The fine cooperation of you and your parents has made this possible, and we are all very proud of this achievement.

We must remember, however, that this building is only a means to an end. It is the young people within the walls of the building that make the school. This school was erected to make it possible for you to develope the abilities which you have, to the fullest extent. I feel sure you have taken full advantage of the opportunities which have been available to you, and it is my fervent hope that all the boys and girls of the Castlewood community will, in years to come, take full advantage of the increased opportunities which they have.

It is my prayer that each of you move on to greater achievements in the years ahead.

Sincerely,

G. H. Givens

ADMINISTRATION

In Appreciation

It is with much pride and pleasure that we write a personal message of thanks to you, Mr. Carter, our principal.

We thank you for the many times you have told us of the need to prepare ourselves for tomorrow. Now tomorrow has become today. We feel that we are more prepared to meet the many challenges of this new decade since having you as our principal throughout our high school years. Our stay has not only been happy years, but also, most profitable years.

We want to express also our thanks and appreciation to the whole faculty at Castlewood High for their untiring efforts in our behalf.

Class of 1961

Miss Linda Amburgey, the secretary of Castlewood High, has been with us only this year. She is a 1959 graduate.

She performs her many tasks in such a pleasing manner and wears a smile for everyone.

"Smile and the world smiles with you; weep and you weep alone."

We, the class of 1961, wish to express our thanks and gratitude to Mr. Graybeal, our assistant principal, for his guidance, friendship, and service.

Mr. Graybeal has a guiding influence over the interest of the students at C.H.S. He does much to inspire us to take advantage of an education. He keeps us informed about the scholarships that are being offered by different colleges and organizations.

CLASS HISTORY

Many events have crowned this our senior year at Castlewood High. First, the thrill we had to be the first football players to use the new football field. Second, we, the seniors of 1961, the first class to graduate under the five-year plan, leave our Alma Mater a year older that the past graduates of C.H.S. and, we hope, a year wiser. But regardless of our longer stay, we realize only too soon that our days were but few at C.H.S. However, not until we receive our diplomas will we become aware that our footsteps will be only echoes in the halls at Castlewood High.

Our constant hope will be that our school has been enriched by our having been here because we feel we are finer students and that we are better prepared for the challenging years ahead through the untiring efforts of our capable teachers and from the knowledge instilled in us by them and from their high ideals set forth as shining light along our many challenges in life.

We express our sincere appreciation to Mr. Carter, Mr. Graybeal, our sponsors, and to all the teachers who have had a part in shaping our lives.

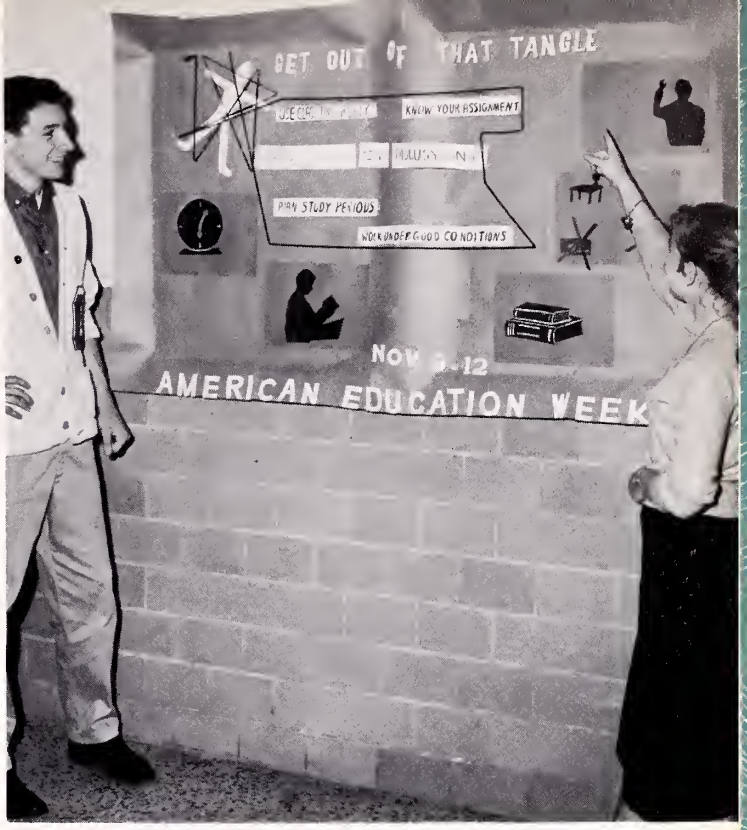
The S.C.A. has an extensive program planned for the 1960-61 term. All parts of this program are carried out by five committees, which are Publicity, Welfare, Program, Hospitality, and Buildings and Grounds. We are continuing our services for the school. The outstanding of these services are to patrol the lunch lines, strive to present better assembly programs, and support the drives of non-profit making organizations in the school. The S.C.A. has many new goals we hope to accomplish. A few of these are to advertise our school through a column in two local newspapers, sponsor the Homecoming Dance, give a Christmas party for a needy family of the community, supervise a planned program of general improvement for the school, and carry out the spring convention of the Clinch Valley District of Va. But none of these plans can be carried through without the support of every member of the S.C.A., the faculty, and administration.



Beverly Hamilton and Mary Ann Jessee admire the SCA bulletin board.

The Castlewood Blue Devils came of age durnig the 1960 campaign. Overcoming the handicap of having football for only three years and having only nineteen members on the squad, the Blue Devils rolled through a nine game schedule, losing only one. Along with this record came the District 7 Championship plus the distinction of attaining the most wins of any team in Russell County.

During the season the Blue Devils rolled up 226 points compared to 45 for their opponents.

BLUE DEVILS SET SCHOOL RECORD

While compiling a record-breaking record 16 wins to 2 losses, the Blue Devils displayed teamwork that is seldom equaled. Captain Joe Farris (18.6), Texie Peland (11.5), Lowell Marshall (10.2), and William Gibson (10), had seasonal averages that point out the secret of winning.

Freddie Wallace, Randall Blackstone, and Calvin Dickenson were young inexperienced but their timely hustle and desire to win made all the difference in a win or a loss. Credit should be given to Tommy Blackstone, Bruce Porter, Don Bradley, Charlie Osborne, and Glenn Jessee for their seasonal work. For without them such a fine record could not have been compiled.

Freddie Wallace goes high for a rebound.

CASTLEWOOD WINS RUSSELL COUNTY TOURNAMENT

After edging by a desperate Honaker team in the first game of the county tournament, this made the Blue Devils eligible to play Saturday night. The boys clashed with the Lebanon Pioneers and held on despite a frantic zone-press for a 65-58 win and the Russell County championship. Joe Farris and Freddie Wallace made the all-tournament team. With Wallace gaining this honor, the entire starting team has made all-tournament team.

Penland fires one, while Farris (33) and Dickenson (34) look on.

Mr. J. E. Carter crowns Donna Morris queen of the football Homecoming.

HOMECOMING QUEEN AND COURT

The annual Homecoming was celebrated October 7. Our pretty Queen was Donna Morris escorted by Freddie Wallace. The attendants and their escorts were as follows: Jackie Salyer-Jimmy Joe Whitaker; Barbara Axsom-Joe Farris; Cheryl Smith-James Gibson; Sue Osborne-Cornell Morris.

During the half-time Donna Morris was crowned Queen by Mr. Carter.

The unpredictable happened. Lebanon not only scored against but beat the Castlewood Blue Devils 19-7, breaking our record of scoreless opponents.

The evening was climaxed by a homecoming dance in the gym which was beautifully decorated using fall colors and a Harvest theme.
